“ I have so much to say but can't even manage to put it into words... I can't believe you are gone.

I guess God was just so proud of how hard you fought and how far you came that he realized he needed you with him. You won the battle and I'll forever look up to you for that.

You'll always have a special place in my heart, help me stay strong Christopher! Rest in Paradise my friend

“ Chris, I will always remember our laughter we shared. We became best of friends through one of the hardest moments in our life. We never strayed apart. I will always hear The Fray and think of you. Thank you for always seeing the best in me even when I didn't see it myself. You've taught me so much along the way and I'll be forever grateful. I love you chris. I will never forget the Times we shared. Thank you for being such a loyal caring friend. I will carry our friendship in my heart wherever I go.
