“ To The Murphy Family,
I have some very fond memories of the times we spent together in the past. When Dan lived at my house in Loudonville, we had picnics every weekend with so many friends playing ball games, swimming in the pool and great food. We attended so many concerts AC/CD and OzzFest to name a couple. I can see him sitting in the yard with either Tommy or Coach having a drink, he seemed like lord of the manor. I believe this was a good time in his life. He now has joined them to have their own party. I had not seen him recently but reached out with an email last month to catch up. ope he knew I never forgot him. RIP m friend. Please accept my sympathy.

“ So sorry to hear of "Murphs" passing. Although I haven't seen him in many years I certainly remember all the laughs and good times with him back in the day. And besides that I remember Dan as a person always willing to help and get his hands dirty for anyone. Dan was a one of a kind man. Thanks for the laughs Murph.
