

Stanley R. Whitbeck Jr.

August 17, 1944 - September 11, 2019

Stanley R. “Stan” “Skippy” “Skip” Whitbeck, Jr., age 75 years, longtime area resident of Coxsackie, N.Y. and lifetime area resident, passed away suddenly on September 11, 2019, at his residence.

He was born on August 17, 1944, in Catskill, N.Y. and is the son of the late Stanley R. and Pauline (Craw) Whitbeck, Sr.

Stanley was fondly known as Stanley, “Stan”, “Skippy” and “Skip”.

Survivors include cousins and many dear friends.

During Stanley’s lifetime, he was employed at The N.Y.S. Department of Health, he also was a caretaker for Animal Lab.

Stanley enjoyed history of his hometown and seemed to be a Historian of the Coxsackie area. He had a great deal of memorabilia of Coxsackie and he loved to share it. He would take a picture or a postcard from somewhere or of something in the area and go to people’s homes and give it to them. He would enjoy telling stories about any building, part of the town and people formerly and presently of the town. He would also gather information on business in the town and tell stories of who used to own the business and give information on the business. He truly enjoyed his history of Coxsackie.

Stanley loved flowers and truly seemed to have a “green thumb” keeping beautiful gardens at his home and around his home.

Relatives and friends are cordially invited to attend calling hours at The W. C. Brady’s Sons, Inc. Funeral Home, 97 Mansion Street, Coxsackie, N.Y. on Monday, September 16, 2019 from 12:00 Noon – 2:00 P.M.

“ Deepest condolences to Stan's family; Cocksackie lost it's biggest fan, the antique center one of its most savvy dealers and historians, and we lost a good friend, Mark Larrison and Mary Finneran

“ I will deeply miss Stanley. I had the privilege of knowing Stan by helping him keep up his gardens and mowing his yard. He also frequently stopped to talk with me when I would be doing work at Riverside Park. Enjoyed sitting in his kitchen looking at the many volumes of local post cards and listening to their stories.

“ Cocksackie will not be the same without Stanley. He would occasionally stop into our office at Heart Land, pull up a chair and share a newspaper clipping or something that he thought might be of some interest to us. The thing I will remember most would be he love of Christmas, and the treasures he could find to decorate. We will hold you close to our hearts Stanley. Rest In Peace.
